[19:44] <nich2440> just lazy ones  
[19:44] <skooma\_dealer> I play while watching movies and stuff  
[19:44] <thatanonyraccoon> Telltale fired most of their staff, that probably affected things  
[19:44] <nollieflipunderflip> Hhahah yeah  
[19:44] <skooma\_dealer> oh shit

[19:44] <skooma\_dealer> i thought they were doing good  
[19:44] <blue\_blur64> Just popping in quick.  
[19:44] <kinggoken> whats the best fighting game out right now  
[19:44] <popsicolo> \*The laid off employees will remember that  
[19:44] <skooma\_dealer> they fucked up with got n shit  
[19:44] <travisvincent> Anyone else watching this Vikings vs Packers game?  
[19:44] <nich2440> I think the reason is because they got a new CEO a few years ago  
[19:44] <pureo\_nikku> yeah and I need thielen to do something for fantasy ;\_;  
[19:44] <stratman1909> when is the 4th episode of lis out?

[19:44] <thatanonyraccoon> they still have games coming out, but don't expect much from them  
[19:44] <skooma\_dealer> Kappa  
[19:45] <nollieflipunderflip> @Kinggoken tekken  
[19:45] <blue\_blur64> I was able to finally change my payment info for subs after looking up how to do it  
[19:45] <dspnumba1fandood> Dsp whatâ€™s your thoughts on TLJ ?  
[19:45] <0megaj0ker> Sup guys  
[19:45] <blue\_blur64> @StratMan1909 There is no 4th episode  
[19:45] <darksydephil> Game of Thrones was fucking terrible  
[19:45] <darksydephil> that game was literally theft  
[19:45] <nollieflipunderflip> :puke:  
[19:45] <lolligagg> no more vikings for me  
[19:45] <kinggoken> yeah Tekken is pretty awesome  
[19:45] <skooma\_dealer> GOT was shit  
[19:45] <skooma\_dealer> i got swindled  
[19:45] <blk\_mage\_ctype> TellTale probably spent way too much money on the licensing rights for so many series yet weren't turning enough of a profit.  
[19:45] <mxavier91> The problem with TellTale games are that they started to just shit the games out are not take their time to making them great  
[19:45] <lolligagg> im done w thevikings  
[19:45] <kinggoken> and yeah Game of thrones was horrible  
[19:45] <skooma\_dealer> I got my money back from steam rofl  
[19:45] <popsicolo> Good thing I didn't buy the whole season then  
[19:45] <nich2440> easily their worst game  
[19:45] <travisvincent> I haven't watched the show yet  
[19:45] <stratman1909> @blue\_blur64 there is  
[19:45] <pureo\_nikku> come to eagles bandwagon before it crashes @LolliGagg  
[19:45] <glitch\_crazed> The cool thing about GOT was that the intro from the show was in it  
[19:45] <nich2440> i wouldn't call it theft tho  
[19:45] <jeffwadsworth> @Skooma\_Dealer If you really think that, I feel sorry for you.  
[19:45] <stratman1909> @blue\_blur64 you play as max  
[19:46] <skooma\_dealer> i love TWD from them tho  
[19:46] <blue\_blur64> That's a different thing  
[19:46] <yothatstuff> wolf amoung us was great  
[19:46] <skooma\_dealer> @Jeffwadsworth think wut  
[19:46] <kinggoken> i'm guessing there won't be a season 2 of Telltale Game of Thrones lmao  
[19:46] <travisvincent> Breaking Bad tho  
[19:46] <nich2440> TWD gets worse with each season  
[19:46] <skooma\_dealer> oh yes wolf amoung us was good too  
[19:46] <glitch\_crazed> @kinggoken no there will be  
[19:46] <skooma\_dealer> i liked it  
[19:46] <mervins\_ghost> PogChamp >sub 200 viewers

[19:46] <kinggoken> oh  
[19:46] <blue\_blur64> They've stated that Before the Storm would only be 3 episodes long  
[19:46] <dspnumbal fandood> Time to get lit  
[19:46] <glitch\_crazed> @kinggoken theyâ€™re waiting to see what happens in the final season of the show before they decide what to do next with the Telltale game  
[19:46] <nich2440> S1 was good, S2 was alright, and S3 was pathetic/  
[19:47] <skooma\_dealer> admit it, who cried during season 1 of twd for telltale  
[19:47] <lolligagg> stream is done or startin?  
[19:47] <nollieflipunderflip> Season 2 of TWD? it was cancer  
[19:47] <glitch\_crazed> @nich2440 more so just okay than pathetic  
[19:47] <blue\_blur64> starting  
[19:47] <darksydephil> im considering skipping telltale games from now on  
[19:47] <skooma\_dealer> :(  
[19:47] <travisvincent> Starting @lolligagg  
[19:47] <stratman1909> @blue\_blur64 well there was a pre order level so idk  
[19:47] <glitch\_crazed> @nich2440 Iâ€™m super excited for the final season of Walking Dead next year  
[19:47] <dspnumbal fandood> Sike  
[19:47] <darksydephil> seriously, they're always disappointing now, and they release timing of episodes are awful, coninciding with other major releases  
[19:47] <blue\_blur64> Even the final season of Walking Dead?  
[19:47] <elzorrobot> Hello Phil just go here  
[19:47] <lolligagg> nice  
[19:47] <yothatstuff> so pumped for PUBG, most fun ive had on xbox  
[19:47] <travisvincent> ye  
[19:47] <blue\_blur64> Might as well finish that series off when it comes out  
[19:47] <skooma\_dealer> you gotta finish twd tho  
[19:47] <glitch\_crazed> @darksydephil so are you cancelling your Batman S2 pt then?  
[19:47] <kinggoken> TellTale The Walking Dead fell off ahrd  
[19:47] <nich2440> @DarksydePhil I would at least play TWAU2 and the last TWD season  
[19:47] <suckasurprise> Telltale needs to update their game formula and engine  
[19:47] <nollieflipunderflip> Start the stream already  
[19:47] <travisvincent> lol  
[19:47] <darksydephil> no, im just not playing more Batman until htere' sa new episode  
[19:47] <realpetchicken> go Phil, I'll be resubscribing in a bit.  
[19:47] <lolligagg> they do

[19:48] <glitch\_crazed> @darksydephil oh okay cool  
[19:48] <matty3888> low viewers for episode games  
[19:48] <skooma\_dealer> oh ok  
[19:48] <blue\_blur64> They did though @suckasurprise , did you not see the walking dead collection?  
[19:48] <mxavier91> I think with the layoffs they had recently, they take their time on the next TellTale game  
[19:48] <glitch\_crazed> @darksydephil you filmed Fortnite earlier right?  
[19:48] <elzorrobot> your chicken dinner is served DansGame  
[19:48] <nich2440> @Glitch\_Crazed no the a new frontier is trash

[19:49] <lolligagg> tbh episodic games idea is idiotic

[19:49] <travisvincent> Agreed

[19:49] <thatanonyraccoon> episodic Hitman was horrible

[19:49] <blue\_blur64> [https://www.youtube.com/watch?v=E-\\_RM87hhQU](https://www.youtube.com/watch?v=E-_RM87hhQU)

[19:49] <mattty3888> phil were you hungover

[19:49] <djhuoshenz> hi phil how are you doing tonight?

[19:50] <leewanner> @DarksydePhil - I feel weird telling you what I think, because I don't feel it's really my place... that being said, the Telltale games are so "Bleh". I liked the first Walking Dead ones, but eventually the series game to irritate me. I think because they do not seem to fit what are regard to be legitimate games. Never mind the fact that decision have little to do with the results.

[19:50] <zombiebeer> yeah phil how was last night, did you get the spins?

[19:50] <yothatstuff> is hitman worth it now tho? ive been wondering

[20:30] <geoffthehero> i was an autistic until i stopped hating on dsp

[20:30] <kingwhiterabbit> The haters seem like a cult, that's the crazy part.

[20:30] <neospartanhesperos9> Phil has haters cause they're obsessed with his personal life and they want him to live his life the way they want him to... Which he doesn't do.

[20:32] <decidingreaper> @kingwhiterabbit ever tried asking a detractor why

[20:32] <kingwhiterabbit> How so?

[20:32] <kingwhiterabbit> I've watched a lot of the hater videos and the complaints they seem to portray are so frivolous.

[20:33] <bfl\_griffon> Phil reacts to the haters a lot which kond of fuels them

[20:33] <stratman1909> @kingwhiterabbit throughout the years he has said and done some stupid things, everybody has

[20:33] <frankenfunk> The first thing i seen of DSP was one of those how not to play videos, i eventually checked out the stream.. he's not so bad SeemsGood

[20:33] <kingwhiterabbit> I know

[20:33] <kingwhiterabbit> But the haters could say that about almost any youtuber

[20:33] <stratman1909> @kingwhiterabbit they also only ever see what they want to see

[20:33] <viper\_h> Don't get how playing on console can compare to PC

[20:33] <stratman1909> @kingwhiterabbit lots of stuff taken out of context and stuff

[21:35] <bfl\_griffon> @bethebaby he phased through a shed wall  
[21:35] <frankenfunk> I really dont think it should be called esports.. its just kinda stupid.. you're playing a video game

[21:39] <soul\_ess12> @NeoSpartanHesperos9 when someone does something professionally like they do its a sport. Just because you consider something not a sport doesn't make it true.

[21:39] <zahvone> I don't know why everyone gets so anal about a term that's not even offensive.

[21:40] <creamcancel> @conan\_the\_barbarian i like 1v1, like street fighter and doom/quake

[21:42] <zahvone> @NeoSpartanHesperos9 I wasn't using that statistic to determine or skew the term eSports to be more valid.

[21:42] <skooma\_dealer> f

[21:42] <conan\_the\_barbarian> when will we see your top 10 games of the year?

[22:19] <stratman1909> @JewBacca2o3 same thing Kappa

[22:19] <zahvone> @JewBacca2o3 Both are different. Fortnite is easier to play, and has crafting / cross platform. Pubg is grittier and more "real".

[22:20] <calinks> Think that depends on prefernce but on console Fortnite runs far far better

[22:20] <conan\_the\_barbarian> @Zahvone getting closer to the endgame

[22:20] <viper\_h> I like watching Phil play this
